\*NOTE: National Referee Candidates cannot accept assignments at the professional level until they:

- 1) Have a current registration in file in the National Office and
- 2) Pass the physical fitness test at a 2003 Regional/Professional Referee Training Seminar.

A List of 2003 Regional/Professional Referee Training Seminars can be found at [ussoccer.com](http://ussoccer.com)

Check the Referee Administrative Handbook for all upgrade criteria for national referees.

Referees who do not meet the requirements will be removed from the list.

If you have submitted a declaration form to the National Office and your name is not listed here, contact Carol McGuire by e-mail: [cmcguire@ussoccer.org](mailto:cmcguire@ussoccer.org) to find out if you are missing any paperwork.
